The United States Patent and Trademark Office (USPTO) acknowledges receipt of your maintenance fee payment for the above-identified patent in the large entity amount. **USPTO records indicate that patentee is a small entity.**
The payment of a large entity fee is not sufficient to change the status of a patent from small to large entity.

Absent a timely reply to this Notice the USPTO will:

- (1) apply the small entity maintenance fee payment amount to the patent; and
- (2) refund the overpayment amount.

If patentee is entitled to small entity status, NO reply to this Notice is necessary.

☐ If this box is marked, the application number was not identified or did not correspond to the above cited patent number.

Reply by Large Entity Patentee

If patentee is a large entity, a **written notification** of change in status from small to large entity **must be filed and signed by all of the inventors, a registered attorney or agent, or the assignee(s) of the entire interest** (37 CFR 1.27(g)(2)). If such a written notification was previously filed, then a copy of the written notification along with evidence of receipt in the USPTO (e.g., postcard receipt) may be submitted instead. A written notification must be filed within the time period for reply specified below to prevent a refund of the "overpayment amount" and possible patent expiration. See MPEP 2531.

☐ If this box is marked, your payment was not sufficient and additional money is required to accompany the reply to this Notice. Contact the individual who has signed below for the current amount that is due.

Time Period for Reply by Large Entity Patentee

If the amount of your payment was sufficient, the reply to this Notice must be filed within **ONE MONTH** from the date of this Notice. No extensions of time under 37 CFR 1.136(a) or (b) are available.

If the amount of your payment was not sufficient, the reply to this Notice must be filed within the **earlier** of: (1) any time period remaining for payment of the maintenance fee including the grace period provided in 37 CFR 1.362(e); or (2) **ONE MONTH** from the date of this Notice. In addition, if the reply is filed during the grace period specified under 37 CFR 1.362(e), but the surcharge has not been paid, payment of the surcharge is also required. No extensions of time under 37 CFR 1.136(a) or (b) are available.

The reply to this Notice may be sent by facsimile to the Office of Finance, Maintenance Fee Branch at (571) 273-6500, or by mail to: Mail Stop M Correspondence, Director of the USPTO, P.O. Box 1450, Alexandria, VA 22313-1450.

The reply should be sent to the **attention of the individual who has signed below**. A copy of this notice **MUST** be returned with the reply.

If you have any questions regarding this Notice, contact the Office of Finance, Maintenance Fee Branch at (571) 272-6500. Please ask for the individual who has signed below.
